MAGNIFICENCE BEDDING

The narrow tone on tone stripe is woven with 310 ultra-fine threads-per-inch and Pima Yarns which give the sheets a luxuriously smooth, surface. Blended base yarns help resist wrinkles and extend the life of the fabric. All flat sheets are oversized, and fitted sheets include extra-deep 15-inch pockets to fit profile mattresses up to 18 inches. A single color label helps you identify size at a glance. Magnificence Bedding provides unmatched comfort and elegance.
